

FAIZAN AHMAD BHAT

AI & Machine Learning Engineering Student

+91 60065 25161 | bhatfaizan471@gmail.com | faizanahamadbhat.netlify.app
github.com/bhatfaizan471-png | linkedin.com/in/faizan-ahamad-bhat

PROFESSIONAL SUMMARY

AI & Machine Learning engineering student building practical projects with Python, Java, C/C++ and SQL, and developing a strong foundation in Data Structures & Algorithms. Interested in AI, machine learning and software development, with a focus on solving real problems through code and continuous learning.

EDUCATION

B.E. – Artificial Intelligence & Machine Learning

2024 – 2028

Nagarjuna College of Engineering & Technology, Bengaluru | CGPA: 8.05 / 10.00

Relevant Coursework: Data Structures & Algorithms, Database Management Systems, Operating Systems, Computer Networks, Object-Oriented Programming

TECHNICAL SKILLS

Programming: Python, Java, C, C++, SQL

AI / Machine Learning: Machine Learning Algorithms, NLP Concepts, Statistics for Machine Learning

Databases: MySQL, Database Management Systems

Web / Frameworks: HTML, CSS, JavaScript, Streamlit, LangChain

Tools: Git, GitHub, VS Code

Core CS: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Computer Networks

PROJECTS

College Information Chatbot | 2024

- Built an AI-powered chatbot designed to answer student queries about college information.
- Designed the conversational flow using NLP concepts to make information easier to access.
- Created a simple, student-facing chatbot experience.

Tower of Hanoi Game | 2025

- Developed an interactive Tower of Hanoi game.
- Implemented the recursive algorithm to solve the puzzle efficiently.
- Created a simple and user-friendly gameplay experience.

Personal AI Chatbot | Personal Project

- Built a personal AI chatbot using the Grok API, LangChain and Streamlit.
- Integrated an external large language model API with a conversational interface.
- Developed an interactive conversational interface for AI-assisted question answering.

CERTIFICATIONS

- Oracle Academy – Java Fundamentals (April 2026)
- Red Hat – Python Programming with Red Hat (AD141-RHA), Ver. 9.0 (September 2025)
- Cisco Networking Academy / C++ Institute – C Essentials 1 (September 2025)
- CodeChef – Completed Practice Problems, 500 Difficulty Rating (April 2026)
- Infosys Springboard – Advanced Statistics for Machine Learning (May 2026)
- Infosys Springboard – Prompt Engineering for Statistics and Machine Learning (May 2026)
